Parish Branches Flourish

“We offer exactly the same products and services as the main NUFCU office in Arvada. We give personal, caring and professional assistance to everyone who walks through our doors.”

We are proud to say “We are the Holy Cross Parish Branch and the Immaculate Heart of Mary Parish Branch of Northwest United Federal Credit Union.” We are housed within each church facility and serve the parishioners of these two wonderful faith communities. Our presence within the church building shows parishioners that NUFCU practices good stewardship of members’ finances and also respects Catholic traditions of service, community and hospitality. It also witnesses to the larger community that Catholics have trusted NUFCU since 1954, and that they are fiercely loyal in both good and bad economic times.

We offer *exactly the same products and services* as the main NUFCU office in Arvada. We give personal, caring and professional assistance to everyone who walks through our doors. And because we are small we have a wonderful relationship between our employees and members and the parish staffs. We know almost everybody by name! IHM and Holy Cross members trust us with their savings and retir-

ment accounts and they come to us first for auto loans and HELOCS because of our terrific low loan rates.

Many of our office personnel are parishioners in these two parishes, so NUFCU members see us at parish activities and at Mass. Our “members first” philosophy causes our staff to volunteer at parish festivals, picnics, and ministry fairs serving free popcorn, snow cones and cotton candy provided by Northwest United’s Community Service Program.

JoAnn Dominquez, branch manager at both IHM and Holy Cross, helped a parishioner from Immaculate Heart of Mary obtain her first auto loan this summer. The grateful lady sent a note of appreciation to the CEO Justin Dickson and thanked him for JoAnn’s dedicated service and called her “an angel!”

Come by and see what we can do for YOU.

Putting your *trust* in a Parish Credit Union has never been so easy!

3rd Annual FUN Golf Tournament

Our Third Annual Fun Golf Tournament raised close to \$9,000 on August 20 to benefit local Catholic 8th graders and their families. Participants had an enjoyable day while providing financial support for Catholic education and values. Northwest United Scholarship Foundation has donated more than \$24,800 in the past five years to 21 students.

Fifty players came to Stoney Creek Golf Course to toss a Frisbee to determine where to drive their ball; putted with a zucchini, hockey stick, broom, cane or hammer; took aim at the cup on a green sprinkled with toy cars; tried to win new golf clubs and bag with a hole-in-one. Faith and Spirit sponsors, Catholic parishes and NUFCU, along with tournament registration, mulligan donations and give-away prizes funded this great event.

Enterprise Used Car Sales donated breakfast to give golfers and volunteers a power-packed start. Automotive Avenues brought a variety of summer-time beverages to keep us hydrated, and Bob Leid and Liz Bornmann generously catered a scrumptious bar-b-que lunch. Over 35 prizes were awarded while we ate a golf-themed cake decorated by Rose Powell.

“Northwest United Scholarship Foundation has donated more than \$24,800 in the past five years to 21 students.”

NUFCU established the Scholarship Foundation in 2006, with the goal of helping deserving 8th graders to continue their Catholic education. For more information on Northwest United Scholarship Foundation, call Michael Taylor, President of the Foundation at 303.424.5037 or visit nufcu.com. **Special thanks to the NUFCU staff and volunteers** who planned and hosted this wonderful golf tournament.
